

Launch of New Code of Ethics

The ASA have revised their existing Code of Ethics. The new code will be published in the ASA 2010 Handbook and on the ASA / British Swimming website.

The ASA are delighted to announce the achievement of the NSPCC Child Protection in Sport Unit Advanced Standard in Child Safeguarding. The new revised and shortened Code of Ethics was an essential part of the achievement of the Advanced Standards. ASA members should note that this is a general “umbrella” code and is supplemented by the ASA Codes of Conduct for the following:

- Swimmers;
- Parents;
- Coaches and teachers; and
- Committee members, officials and volunteers who work directly with children.

The Codes of Conduct can be found in Wavepower 2009/11 under section 2, page 68 – 71.

ASA Board formally adopted the new Code of Ethics at the ASA Board meeting held on the 27th November 2009. The new Code will take effect thirty days from the date of posting on the ASA / British Swimming website.
