

ASA SOUTH WEST REGION

YEARBOOK 2011-12

President: Christopher G Esmond

Chris Esmond

President 2011

Chris was born in the East End of London in 1939; he survived the Blitz and moved to Wembley in 1941.

He married Jean and bought a house in Shepperton upon Thames in 1970 and eventually relocated to Weymouth in 1987.

At school he competed in breaststroke, freestyle and diving events, but his main sports were boxing, athletics, cricket and football. After leaving school his interests stretched across many different sports, the highlights being gaining his colours at Kings College London for canoe slalom and representing London at the British Canoe Slalom Championships in 1966 & 1967, also captaining the National Physical Laboratory X1s at cricket and hockey. He was also a member of the Greater London Boating Committee and organised rowing and sailing regattas.

His move to Dorset awakened his interests in competitive swimming, captaining the Admiralty Underwater Weapons Team at Civil Service competitions. These competitions ended when he snapped his Achilles tendon playing badminton and thus turned to teaching and coaching.

Chris became a qualified teacher, coach and official, first with the Portland Dolphins and then with the Thornlow Tornados (now Tornados of South Dorset), becoming their Chief Coach in 1987/9.

His commitment to competitive swimming was rewarded when he was elected the Dorset County President in 1992. This was followed by becoming a member of the Western Counties Executive (1993-2005), being the County Secretary (1996-2007), and being elected Dorset Life President in 2007. He is Diving currently the Tornados Diving Coach and has represented Dorset on the District and Regional committee.

R.I.P. 27 November 2011

NATIONAL AWARD WINNER MARY HOOPER

FOR OUTSTANDING CONTRIBUTION AT REGIONAL LEVEL

Mary has been involved in synchronised swimming since co-founding Exeter Synchro Club in 1984. Since then Mary has been involved in the development of synchronised swimming in the South West in everything from running athlete workshops at grass roots level to team managing England at the 2002 Commonwealth Games.

Mary has been a Synchro Teacher for 20 years and as well as working within the South West, Mary now travels up and down the country tutoring courses. She is Lead Coach of the Talent ID group which accommodates the youngest swimmers of the squad and Mary was instrumental in encouraging and motivating the group to improve. she is an inspiration to watch when she is volunteering.

As well as being very hands on Mary has always been a very enthusiastic and competent administrator. This has been demonstrated through her dedication and commitment to roles as Devon County Secretary, South West Financial Co-ordinator for Synchro and a member of the ASA Technical Synchro Committee since 1998 as a Specialist.

Long Service Award, Recognition of 25 years plus service; ROY MARLBOROUGH, Barnstaple SC

Roy has been a dedicated member of Barnstaple SC for over 60 years and is still active as Club President. He attends club swimming sessions every week, helping with general administration duties, communicating with parents, volunteers and swimmers making sure that everyone is aware of what the club has to offer. He has over the years held the posts of Gents Captain, Water Polo Captain, Handicapper and was club Treasurer for 40 years. He always gives selflessly of his time for the benefit of the club and all its members. Roy was involved when the North Devon Leisure Centre was built replacing the previous open air facility. Roy has been and still is a great ambassador for the sport and has shown a very high level of dedication over a very long period.

CARA DEASY--from Barnstaple SC

Cara joined the club to learn to swim and progressed through the ranks to become team captain for the third time this year. In addition to the time spent training she also gave up her time to work as a volunteer assisting the teachers in the shallow end. She has now passed her Level 1 Coaching and has started her Level 2. Cara is an excellent communicator and is highly respected by both the swimmers and parents. She instils discipline within her group and encourages swimmers to enhance their skills and reach their potential. Another interest is Life Saving, she is a member of a local Surf Life Saving Club and in addition to teaching safety on the beach she has represented Great Britain in Surf Life Saving Championships. She assumes her responsibilities with great integrity and enthusiasm, is a shining example to all club members and highly respected by the Committee and Club.
