Important Notes:

1. All entries are based on a **swimmers age as of the 31st Dec 2017** - please use your child's age on this date to establish event eligibility.

2. Late entries will not be accepted as the current deadline only allows two weeks to program around 2,000 swimmer entries. Entries received by the 12-Jun-2017 deadline will be eligible for awards providing other criteria below are met. To be fair to all (event organizer and swimmers) there will be no extensions to these deadlines.

3. *Parents* are encouraged to compete in any or all 25m events held on both sprint nights - Please email webmaster@chippenhamasc.org.uk and an entry form will be emailed to you for completion. **Note:** The club would prefer that parents swimmers be ASA registered for insurance purposes, if you are NOT ASA registered you will be swimming at your own risk, and the club assume you have appropriate insurance. (Masters may elect to swim the parents race or enter the main events.

4. If a swimmer arrives late at the start of a competition event (for whatever reason) they will be withdrawn from the heats compiled for that evening (to avoid heats with empty lanes). Members may be permitted to swim at the coaches and referee's discretion although this will be as a time trial only (no medal/trophy).

5. If you have difficulty completing the electronic entry form, please see Gary Barnett Poolside who will be pleased to fill the form in with, or for you.

6. Entry to the CASC Club Championships is generally only permitted where Chippenham ASC is your primary club as listed on the ASA Membership Database (link on club website homepage) - if in doubt please ask. (The membership list has already been checked, so if you are a valid member you should get an email, if you do not receive an email a few days after entries open then please check your email spam folder, then email webmaster@chippenhamasc.org.uk as it may be that the club's record of your email address is incorrect or needs updating.

7. To enter the Club Championships all swimmers need to be members of CASC (membership fees and forms received by Tracy Hall) no later than 02-Apr-2017. Members who join after this date are permitted to enter as a Time Trial (TT) only (no medal/trophy) providing membership forms and club championship entry forms are received by 12-Jun-2017. **Note:** In order to allow time to update the squad list, add the new members into the online system and email a link to the required entry form, could we request that new members do this before the 04-Jun-2017 if possible please.

8. If you have any questions, please speak with Helen Sheppard or Gary Barnett either on poolside or e-mail webmaster@chippenhamasc.org.uk.

Many thanks
