MEET RESULTS

The Meet results will be posted on Taunton Deane and Exeter City Swimming Club website (www.tdswim.co.uk and www.exeterswimming.com). These will be available in PDF and Hy-Tek result file format. Results will also be passed to the ASA for their reference and inclusion in rankings.

AWARDS

Awards will be given to the first 3 places in each age group category and level. Additional awards will be made to the Best Male, Best Female and Visiting Club.

Competitors will only receive an award if they have achieved the qualifying standard for Level 1 entries.

ENTRIES

Qualifying times will be applied to all events. All entry times must be faster than or equal to the QT for Level 1 entry. Entry Times outside these limits will be entered as Level 3.

PLEASE NOTE entries with 'No Time' submitted will be rejected.

Entry times must have been obtained at a licensed meet for Level 1 entries and random checks will be made against the ASA Online Rankings database.

All 50m, 100m, 200m events and 400m Freestyle are open to all ages.
800m and 1500m Freestyle and the 400m IM events are open to swimmers aged 11 years and over only.

Reverse 800m and 1500m Freestyle are available for swimmers who wish to qualify for British National Championships. As most swimmers will not have a rankings time for these events we will let swimmers with a 400m qualifying time enter the reverse distance freestyle event. Please enter an estimated qualifying time (if you don't have one from rankings). All reverse distance freestyle entries will be checked via rankings. If we need to limit numbers we will rank swimmers based on their Swim England Ranking on the normal 800m / 1500m times. Those swimmers with the fastest times will be given priority (regardless of age).

No other estimated times will be accepted for Level 1 entry.

Swimmers who are currently 10 but will be 11 as of 31/12/18 may enter the 800m, 1500m and 400m IM.

If swimmers are found to have entered the meet with any false or made up times, they will be disqualified from all events that they have entered and their entry fees will be forfeit.

Entry times must be submitted as long course times, using the Hy-Tek entry file. Short course times are acceptable but they must be converted to long course. Estimated times are not permitted for any Level 1 events other than reverse 800m / 1500m as detailed above.

For entries of more than 3 swimmers electronic entry should be used.

Clubs are requested to send all entries at the same time with one payment to cover all swimmers and coach passes

Clubs may pay via BACS which is our preferred method of payment to Exeter City Swimming Club Barclays Sort Code: 20-30-47 Account: 20133604 Ref: Club code April meet.

The Hy-Tek meet file can be found on the Exeter Swimming club website (<http://www.exeterswimming.com/>) or by email from galas@exeterswimming.com

And or the Taunton Deane website (<http://www.tdswim.co.uk>) or by email from tdswim.meet@gmail.com

Electronics entries from Hy-Tek Team Manager or Team Manager Lite software should be submitted as an e-mail attachment to the above address and should include an entry report, fee entry report, poolside passes application and Officials list.

Electronic entries will not be processed until full and complete payment is received.

Copies of the Team Manager Lite application can be downloaded free of charge from <http://www.hy-tekltd.com/downloads.html>

Closing date for entries is 16th March 2018

NO LATE ENTRIES WILL BE ACCEPTED

Taunton Deane and Exeter City Swimming Club reserve the right to limit entries to ensure compliance with licensing conditions. In the event that entries are rejected the entry fee will be refunded to the club in question.

Entries will be accepted based on Fastest First for Level 1 and then Level 3 entries. Any restriction will apply across all events equally at both Level 1 and Level 3 to ensure an equal entry base across both levels

No refunds will be made for withdrawals after the closing date of 16th March 2018 other than on medical grounds. A medical note must be provided.

Taunton Deane and Exeter City Swimming Club reserves the right to cancel the event if the meet is under subscribed.

The Meet will run cardless and the slowest heat at Level 1 may be merged with the fastest heat of L3 to minimise session timings and maximise use of pool space.

Taunton Deane and Exeter City Swimming Club reserve the right to change conditions and entries to ensure the smooth running of the meet within the allocated time limits. This will be in discussion with the Referee and the decision will be final. This will only occur due to unforeseen circumstances and apply on the day only.
